

Manchester Tool & Die, Inc.

Medical Machining Services

For medical components, MTD is your choice for prototype, short or long run machining. Located literally “just down the road” from the heart of the world-wide orthopedic industry, MTD is very experienced in dealing with the demands of medical part production.

Wire EDM, CNC Milling Centers and Star Turning Centers stand ready for your unique machining needs. Various surface finishing and washing machines too. These combine with in-house engineering, a complete tool room, on-time deliveries and superior customer service. If your plans call for medical part machining be sure to check out MTD.
